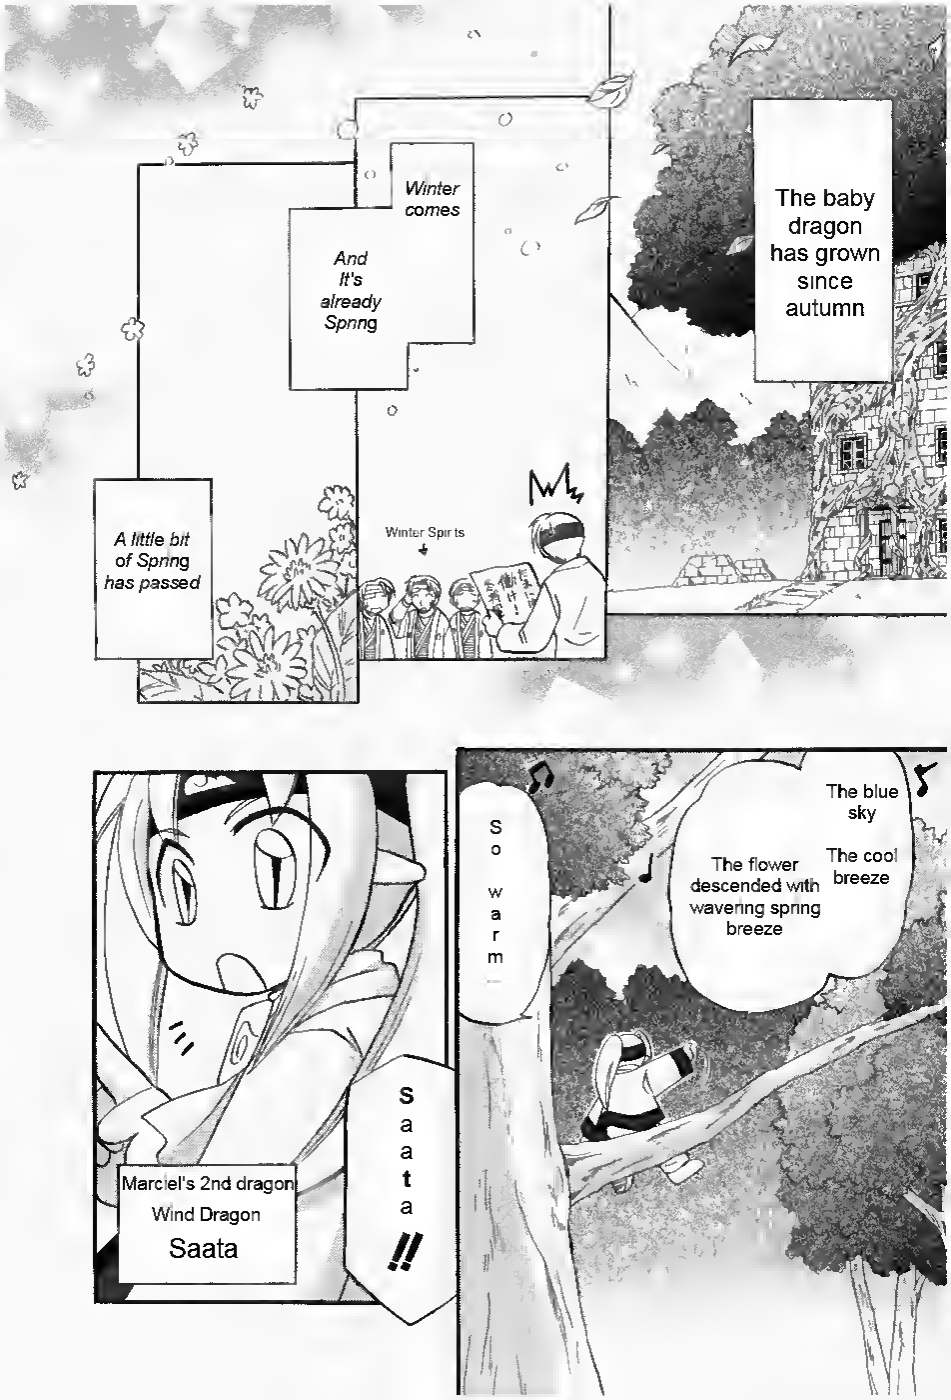
Chapter 1

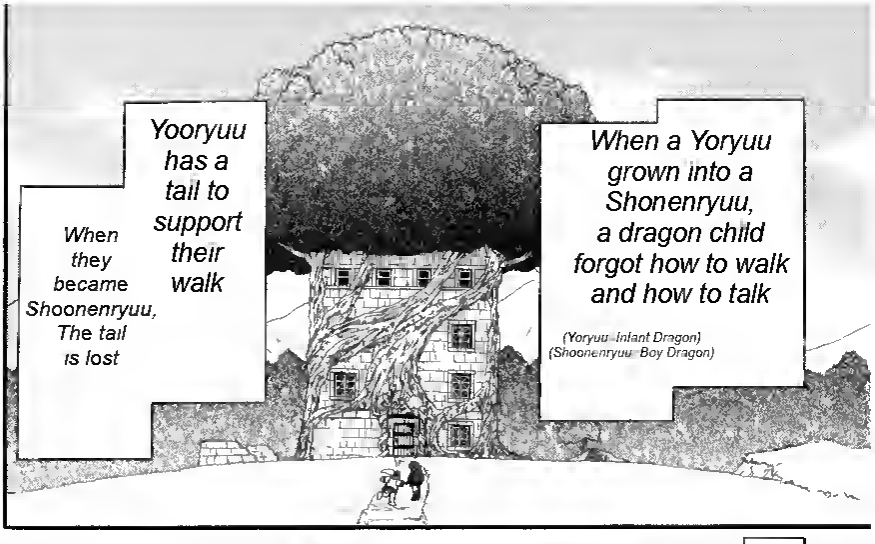
第1話
～はじまりはじまり～

~The First Beginning~



Winter comes
And It's already Spring
A little bit of Spring has passed
Winter Spirits
The baby dragon has grown since autumn
So warm~
The blue sky
The cool breeze
The flower descended with wavering spring breeze
Saata!!
Marciel's 2nd dragon
Wind Dragon
Saata

Aata, your way of talking is very weird!
I'm still practicing !!
ぱ
Haata and Kaata coming ho-me
Why on a tree sit?
Marciel's 3rd Dragon
Earth Dragon Aata
Saata, your way of walking is also weird! Go train yourself!
Even though you could fly so well,
Go praticing your walk !!
That's right,
They just picked up Granny Furu, Cause Kaata didn't lose their way, they will arrived soon
すたっ
They're still on their way
ぱたっ



Yooryuu has a tail to support their walk
When they became Shoonenryuu, The tail is lost
When a Yoryuu grown into a Shonenryuu, a dragon child forgot how to walk and how to talk
(Yoryuu=Infant Dragon)
(Shoonenryuu=Boy Dragon)

A~ The bleu sky~~ The coal bre...
Wait, coal?
"Word" is the same, they were using a telepathic method when they were small When they grow, they got a voice to speak
just like their tail

TN: Maata was trying to sing the same song as Saata from the previous page but she got the letter wrong

Marciel ?
I wonder why
So does Kaata
Now, Let's check on Marciel
and the first one who could walk is Haata, isn't it?
After all
He's first one who could talk
Marciel 1st Dragon
Dark Dragon Naata
The oldest Onii-chan is the only one who can't speak He doesn't even moving...
ふぃー、
Naata, How is Marciel's fever?

TN Maata is making a pun

Naata!
It won't be like that time we went to the sea! Wood Ryuuji chu tsushi said that, right!?
The fever... will go down soon... So don't worry
When everyone awakes, Marciel was having a headache and tired
Well,
Then you guys shouldn't be worrying like that
After using a big jutsu, he got exhausted and passed out

It's almost snack time, and we wanted to show our gratitude!
So me and Haata came to pick you!
Marciel's 7th Dragon
Light Dragon
Kaata
Yes!
"I won't fall. I'm gonna rest. Therefore, don't worry" He said
Marciel is resting all this time
Marciel's 6th Dragon
Fire Dragon
Haata
Because we practice a lot!!
You two can speak very well now!
ふふ
Saata can fly well but he didn't practice his walking
Can you please tell us the song so we could sing it well?
Yeah
Really, Saata also wanted to came, but he still can't walk well
Well Well, Isn't that great?
For me It's because I want to go to Fire Dragon Mountain
Ano nee~ Ano nee~
Because I'm already an Onii-chan

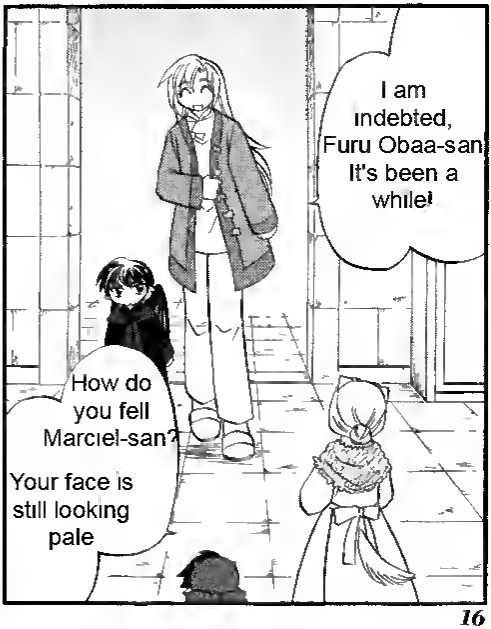
Eh ?
Very variable
Although we still don't know about Naata's
It's been so long since the last time I meet everyone! I'm looking forward to it ♡
I wonder how are everyone's voice
Ano nee~ We still hasn't hear it yet
Naata's voice
N ?

Naata
Yeah, I fell much better now
It's Okay
Your voice will come!
For dark dragons, "Sound" is not their speciality So, it would take a while
Just take it slow, okay?
It's already snack time, right?
Is Furu Obaa-san already here ?

あぁ。
Well, Marciel-san !
Marciel !!

If it doesn't get any better, it would be impossible to bring the dragon children out for picnic
I'm still need to rest for a while
Well

I didn't see anyone practicing



I am indebted, Furu Obaa-san. It's been a while!
How do you fell Marciel-san?
Your face is still looking pale

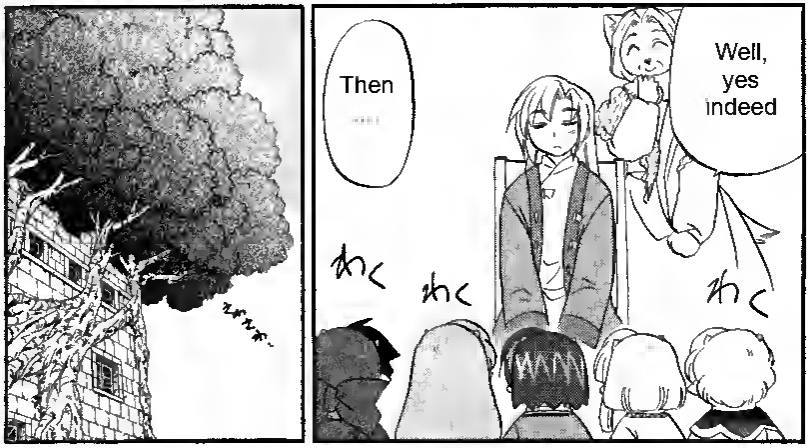
Ah yes, He said "Sit down!"
It... it seems so! If you don't rest...
ガタン
Naata ?
I'm so happy everyone did their best
Ano nee~ Me and Haata picked up Obaa-chan
We walked a lot
Marciel, Obaa-chan gave us some cookies
わあ
わあ
What's wrong, Naata?
What are you looking for?
ﾓｿﾓｿ
ﾓｿﾓｿ

It's on the shelf!!
Here you go!!
The wood Ryuujitsushi gave us some!!
That's it! The medicine !!!
Ah I
Wrong ! can't understand, so ...
Um, looking for sweets?
Because Naata would do anything for Marciel, right?!
.....
うぅ?
.....
おーい
Marciel, Here's the medicine!
That's right! I forgot to take the medicine
あ~
So great!! Saata, you noticed it?
No, the one who noticed it was Naata!
That makes sense
What's your problem, Aata?

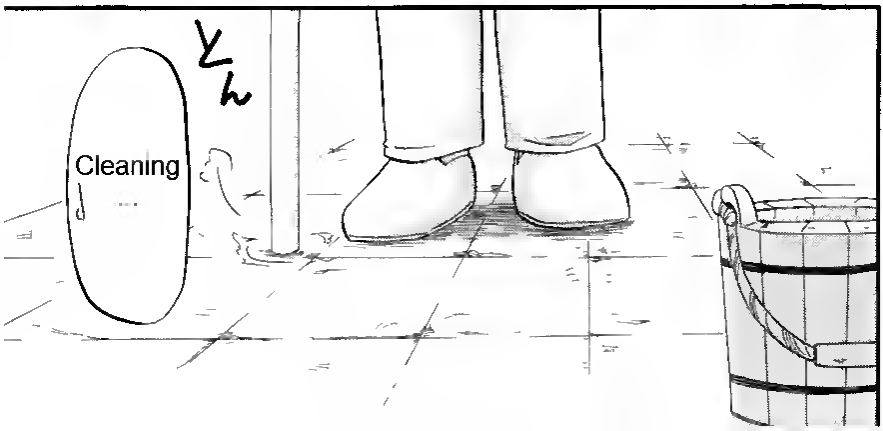
Ah
*Water
*Honey
Nothing Um... Actually this medicine is...
Is something wrong, Marciel-san?
As expected of Naata
おおー。
This real medicine is really bitter
Thank you, Naata
.....
what are you planning now?
To what?
I won't lose either!
Alright!

That's because we all are Marciel's dragon assistants
Even I want to do anything for Maciel's sake
Why don't you just leave it to me?
Marciel-san
No, everyone
Everyone should just focus on their training
That's true
あーっ

Ha
With some purpose, their progress will become faster too



Then
Well, yes indeed



Cleaning

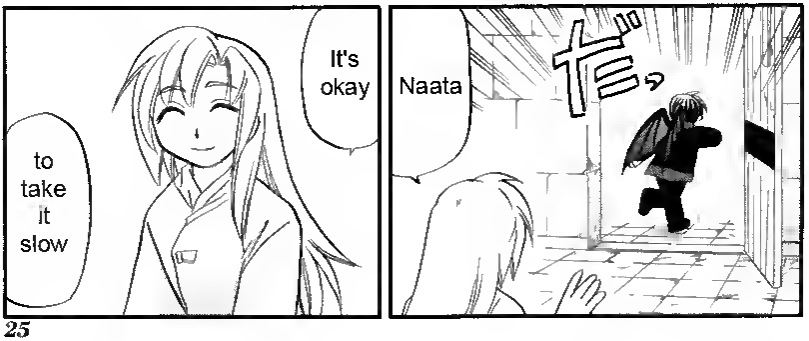
Why cleaning I?
This, we always help with this
So, do you want to help or what?
When we were small, We couldn't do some cleaning by ourselves
If we done this properly, Marciel would be pleased
.....
I want to be like Naata...
I noticed it...
It's so cool that he can do anything properly
You don't have to ....
Kuh !?
"I want to be like him" that maybe a splendid goal But .....
You don't have to try to hard to be like him

Eh?
Ah...
Saata is understandable, especially when talking
...Somehow,
Ata was talking well
If you do not want to be laughed at, You can start with help me for a bit
Aata, I thought you're gonna laugh or say something...
Hmm...
Uwa
The dust got flown over because of the wind!!!
Alright I'll do my best at cleaning !
Tips ?
I'm also need tips on progress
If you can clean properly... You surely will walk well too
Furu Obaa-san said that she have to go to prepare the meal. Isn't it great?
.....
ナデナデ

Ye... yes I have to recovered fast... So I'm gonna take it slow
But... It will be a lot easier for them if you join them doing house work
Naata, Even if you can't speak, I can still understand what you're trying to say...
Except me
Hey, Naata Is there anything that Naata want to see?
of course that's only when you can't speak
That's it!
Ah!

My
For myself, Is there?
Didn't you find it ?
The place that you really wanted to go

I wonder how are everyone with their cleaning
うわあ
ピキッ
わっ!?
どんがらがっしゃーんっ
きゃっ

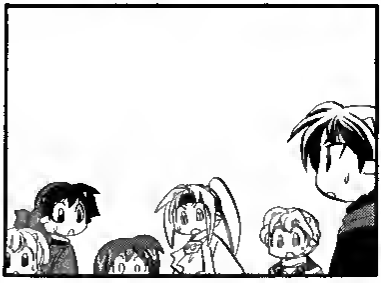


It's okay
to take it slow
Naata
だっ

Those guys' cleaning
Myself? Voice?
They're not doing this slowly
Slowly
...
This is not a bit!!!
That's because I told you not to overturned the desk, right?
Enough with only avoiding!
What's with you?!
We only did a little bit of cleaning, right!
No
Even if you said slowly
Now is
What's your problem?!
Aata, you said to do it a bit, did't you?

Marciel can't rest like this !!
SHUT UP !!

Yeah That's great! Naata.... But
Moreover, he suddenly shouted for Marciel's sake.
Naata
Yes, Naata
わーい
わーい
……



Naata just spoken !!
What? Just now

Shut up!
Naata spoke again
That's how a bit of spring passes
And thus It started,
A new Dragon Children Story
Got exhausted
No, it's okay to learn something from him
I won't try to be like him
Ah Then Aata
Isn't it great?
